

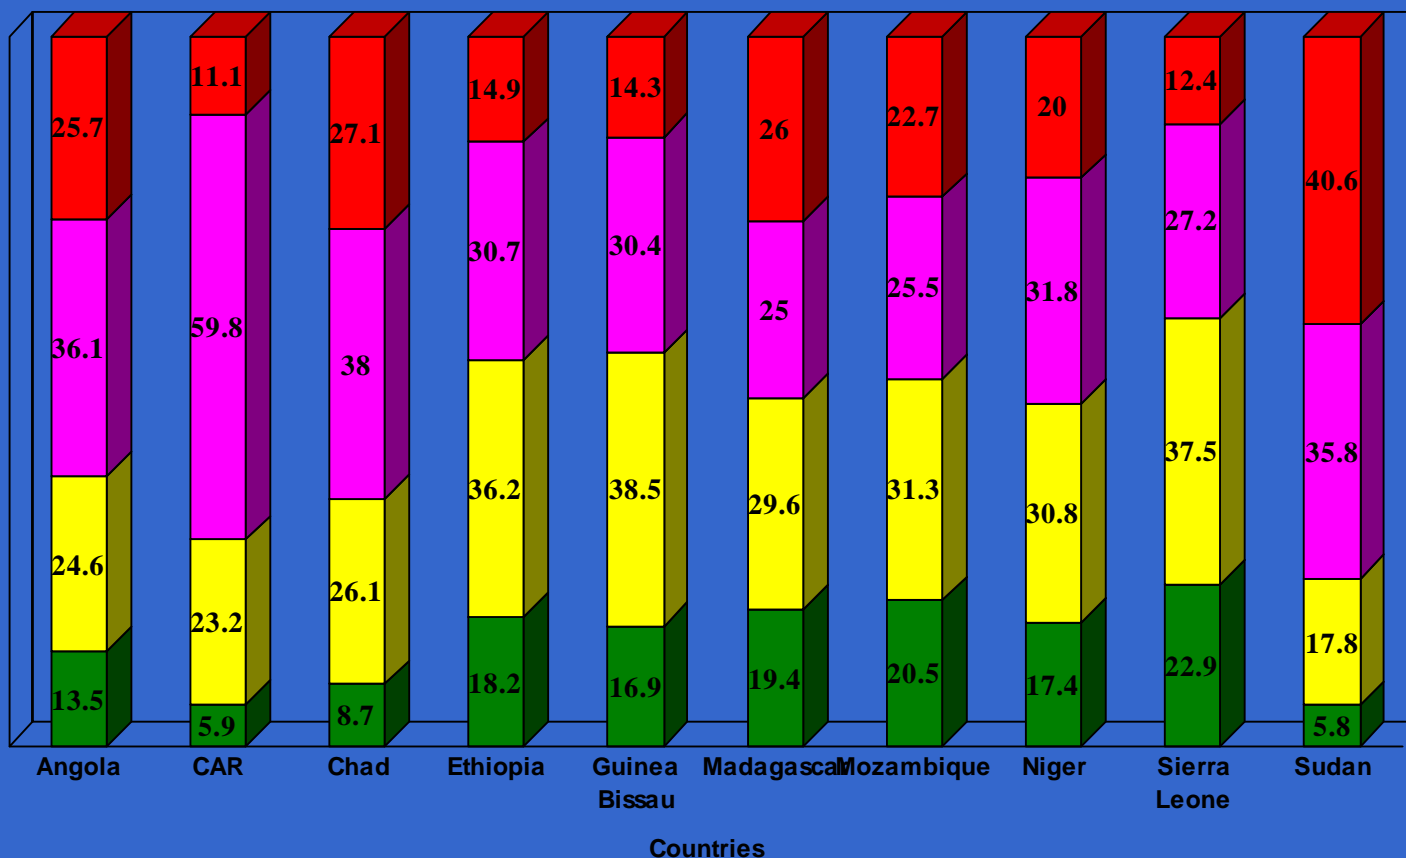

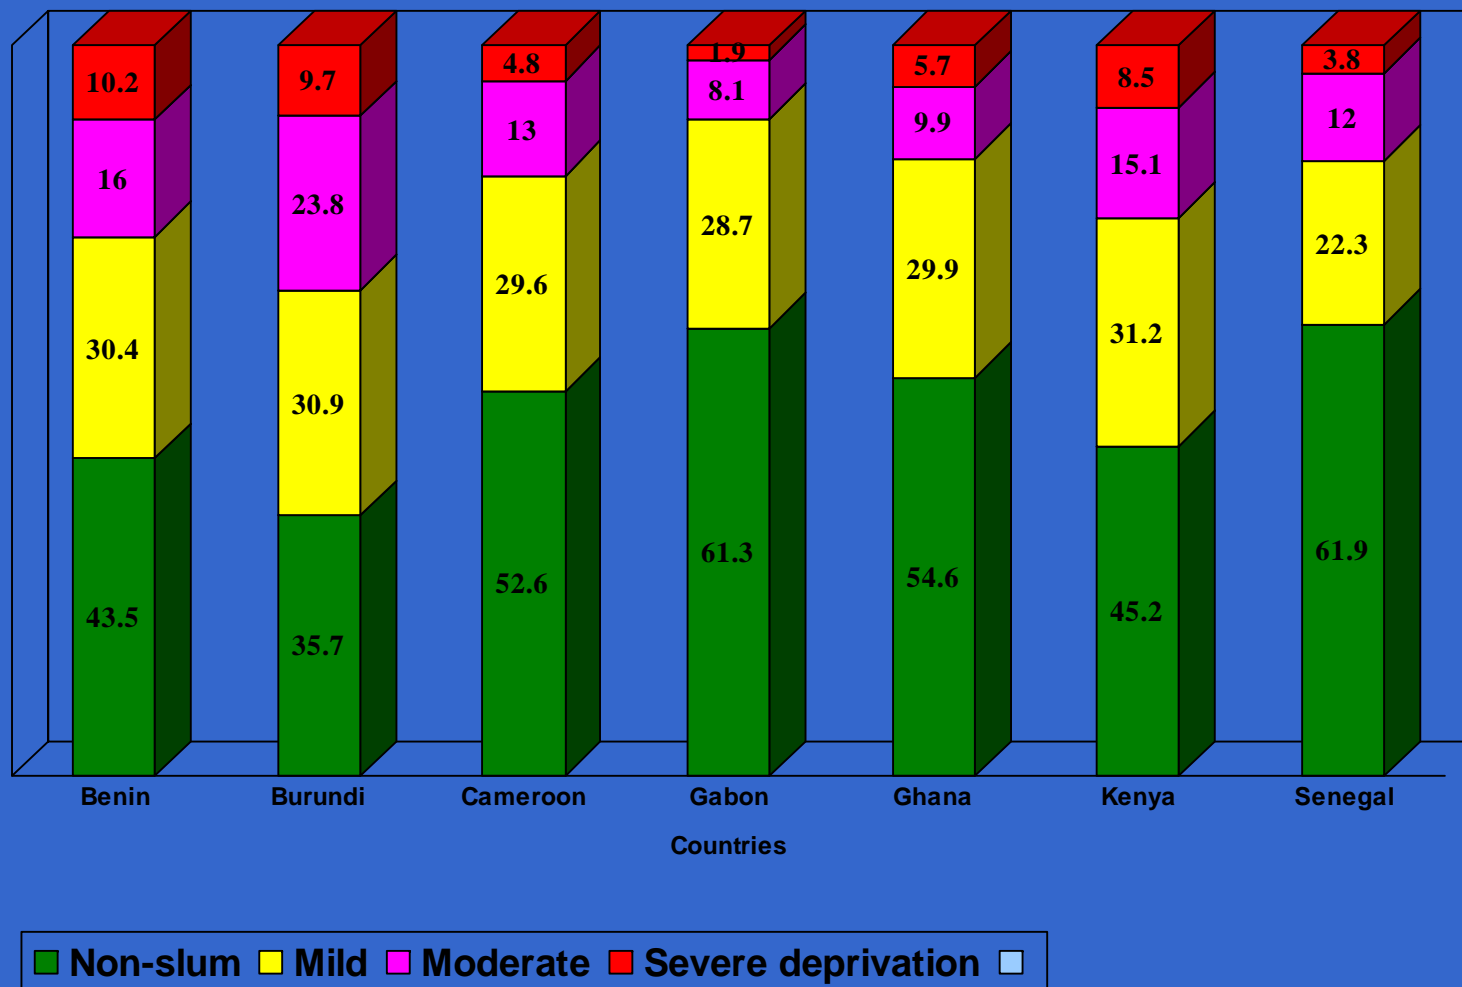

**Graph 2.1.1a Distribution of slum dwellers by degree of shelter deprivation
Countries with high concentration of slum with multiple shelter deprivation,
Sub-Saharan Africa**

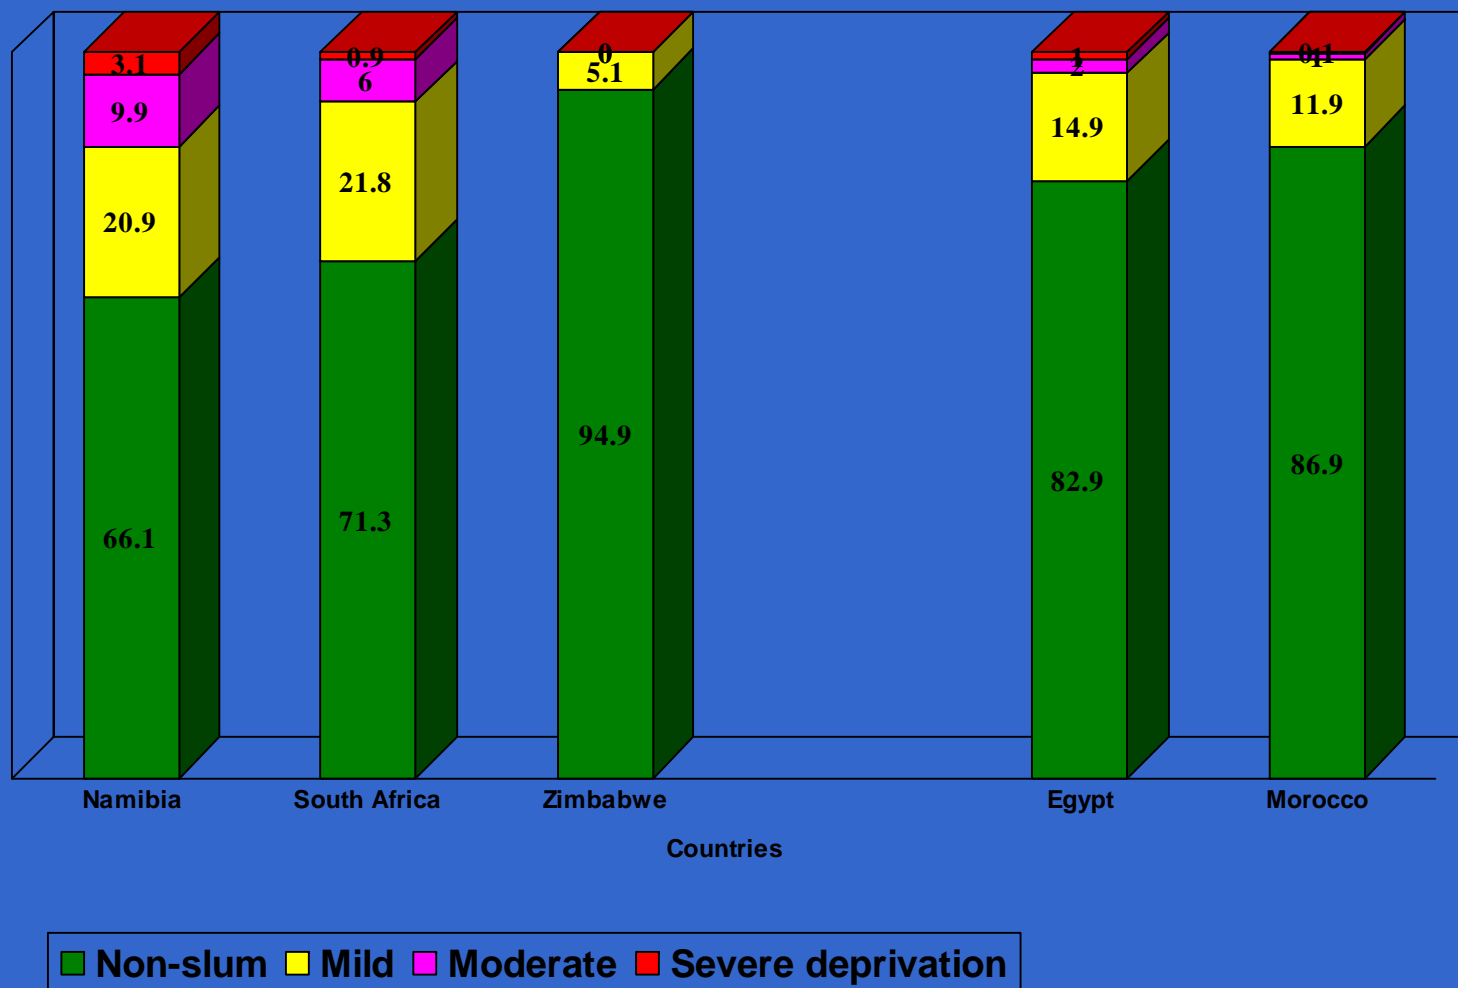

■ Non-slum
 ■ Mild
 ■ Moderate
 ■ Severe deprivation

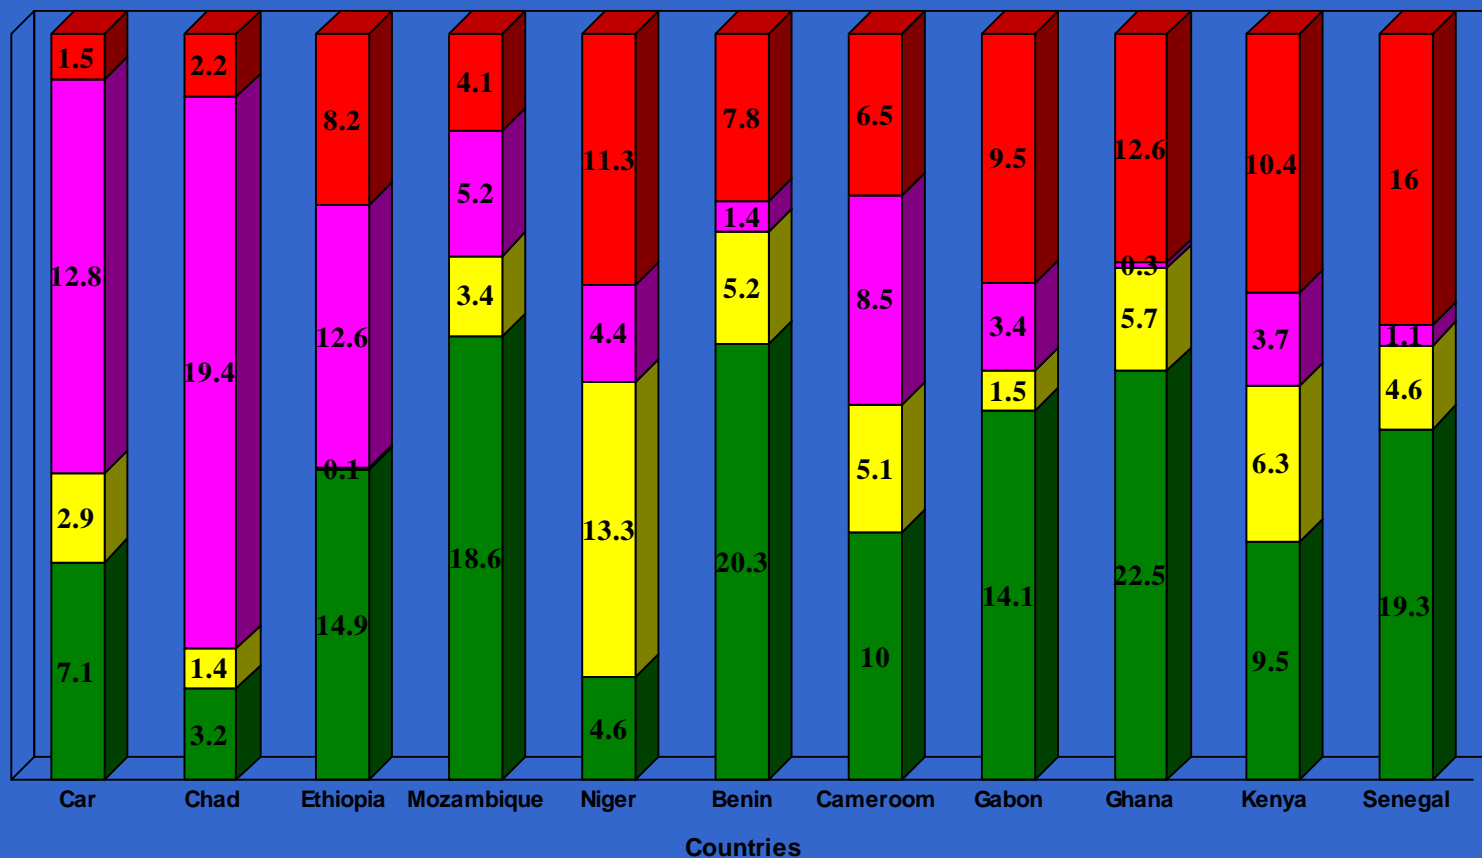

Graph 2.1.1b istribution of slum dwellers by degree of shelter deprivation
**Countries with moderate concentration of slum with single shelter deprivation,
 Sub-Saharan Africa**

**Graph 2.1.1c Distribution of slum dwellers by degree of shelter deprivation
Countries low concentration of slum with single shelter deprivation, Sub-Africa
& North Africa**

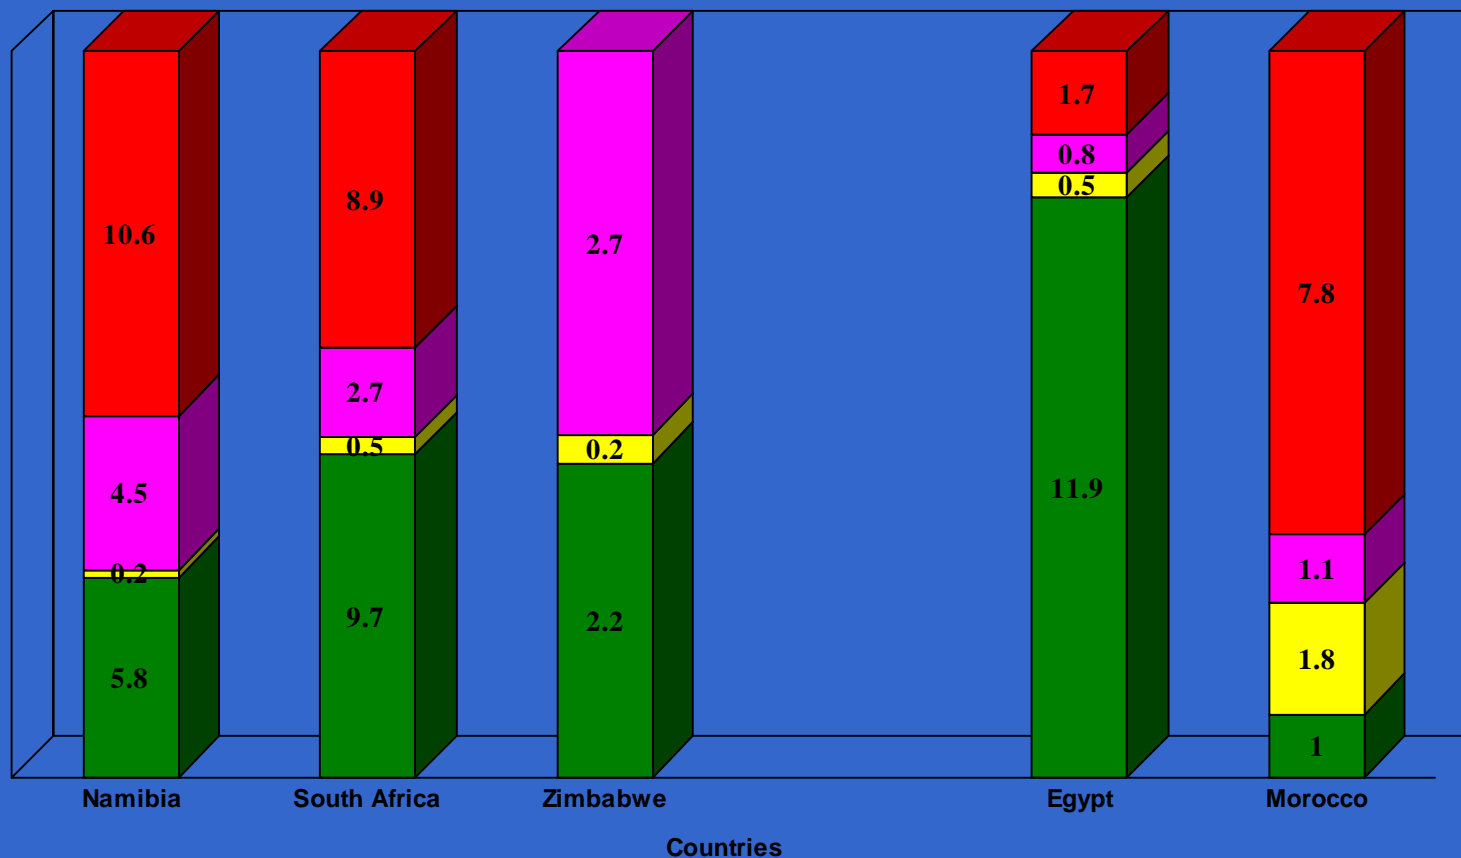

Graph 2.1.1d Distribution of slum dwellers with single deprivation by type of deprivation, Sub-Saharan Africa

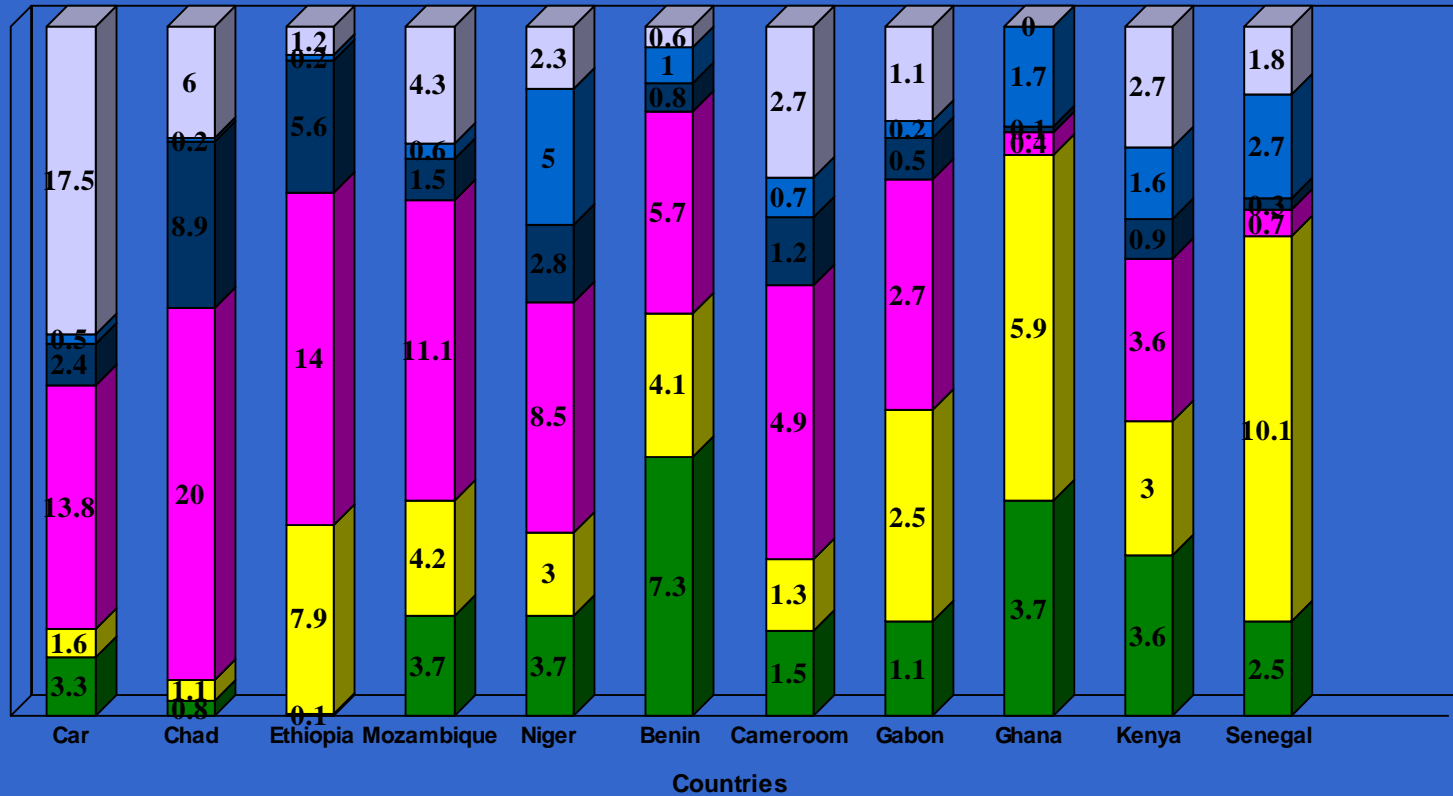

■ Improved water
 ■ Improved sanitation
 ■ Durable housing
 ■ Sufficient living
 ■

Graph 2.1.9 Distribution of slum dwellers with single deprivation by type of deprivation Countries with low concentration of slum, Sub-Africa & North Africa

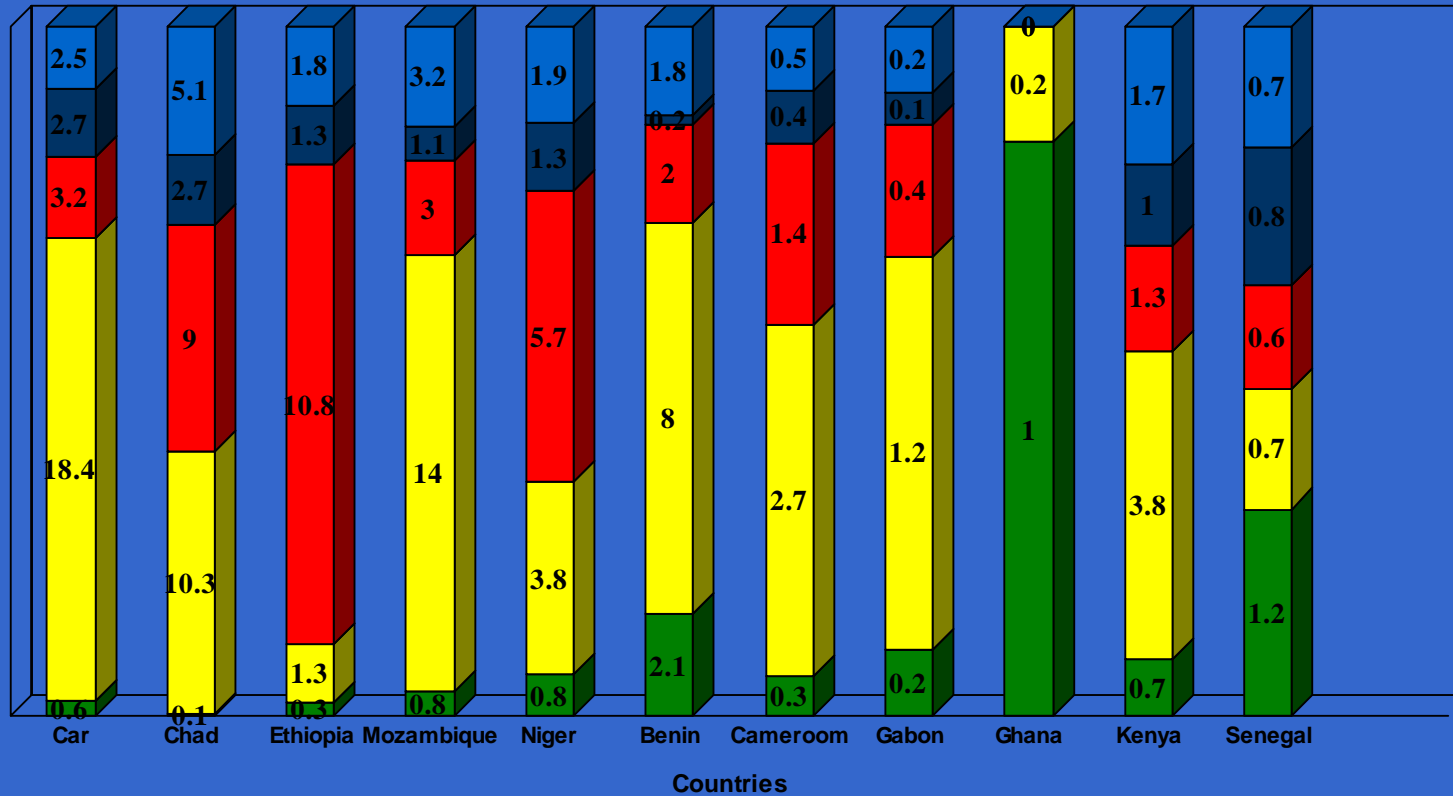

■ Improved water
 ■ Improved sanitation
 ■ Durable housing
 ■ Sufficient living

Graph 2.1.1e Distribution of slum dwellers with moderate deprivation (two) by type of deprivation, Sub-Saharan Africa

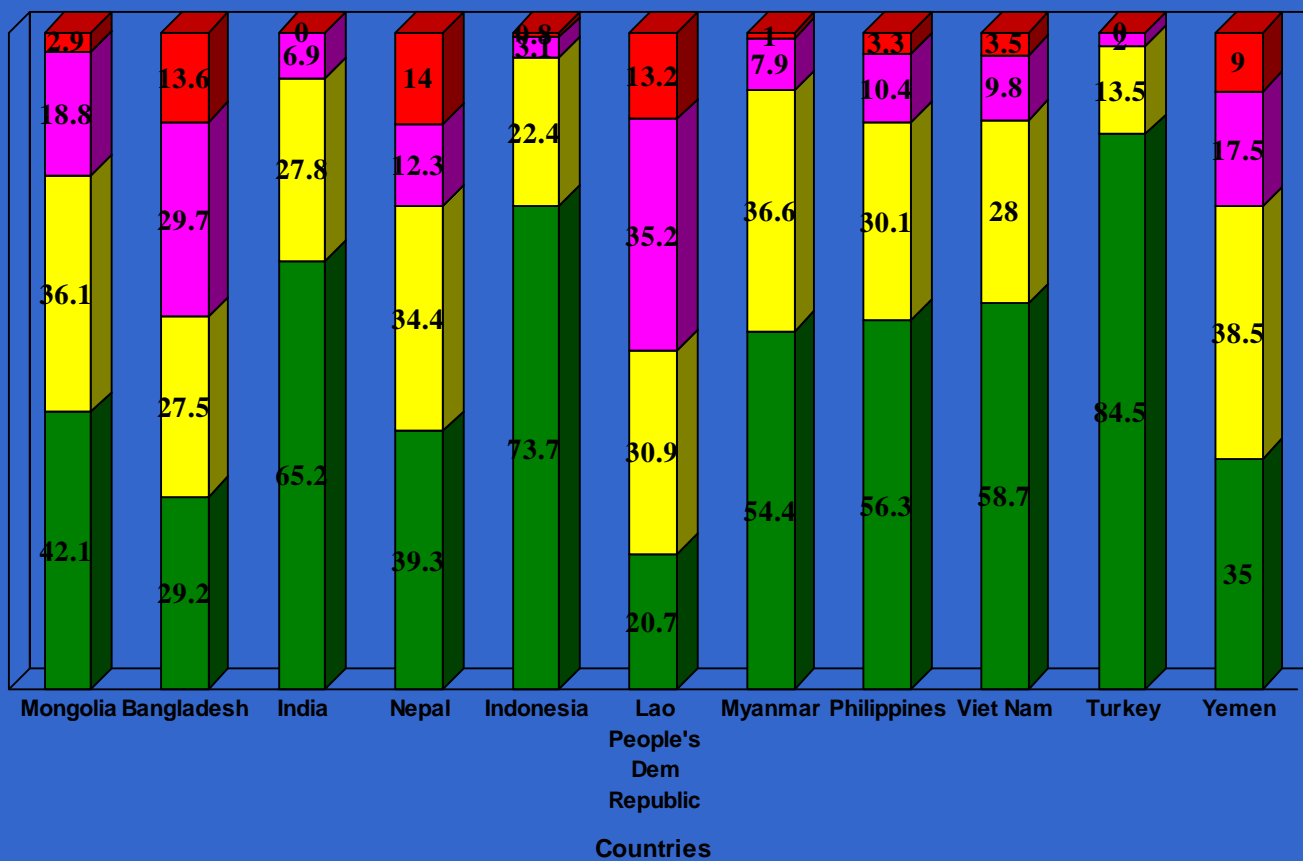

Graph 2.1.1f Distribution of slum dwellers with extreme deprivation (three+) by type of deprivation, Sub-Saharan Africa

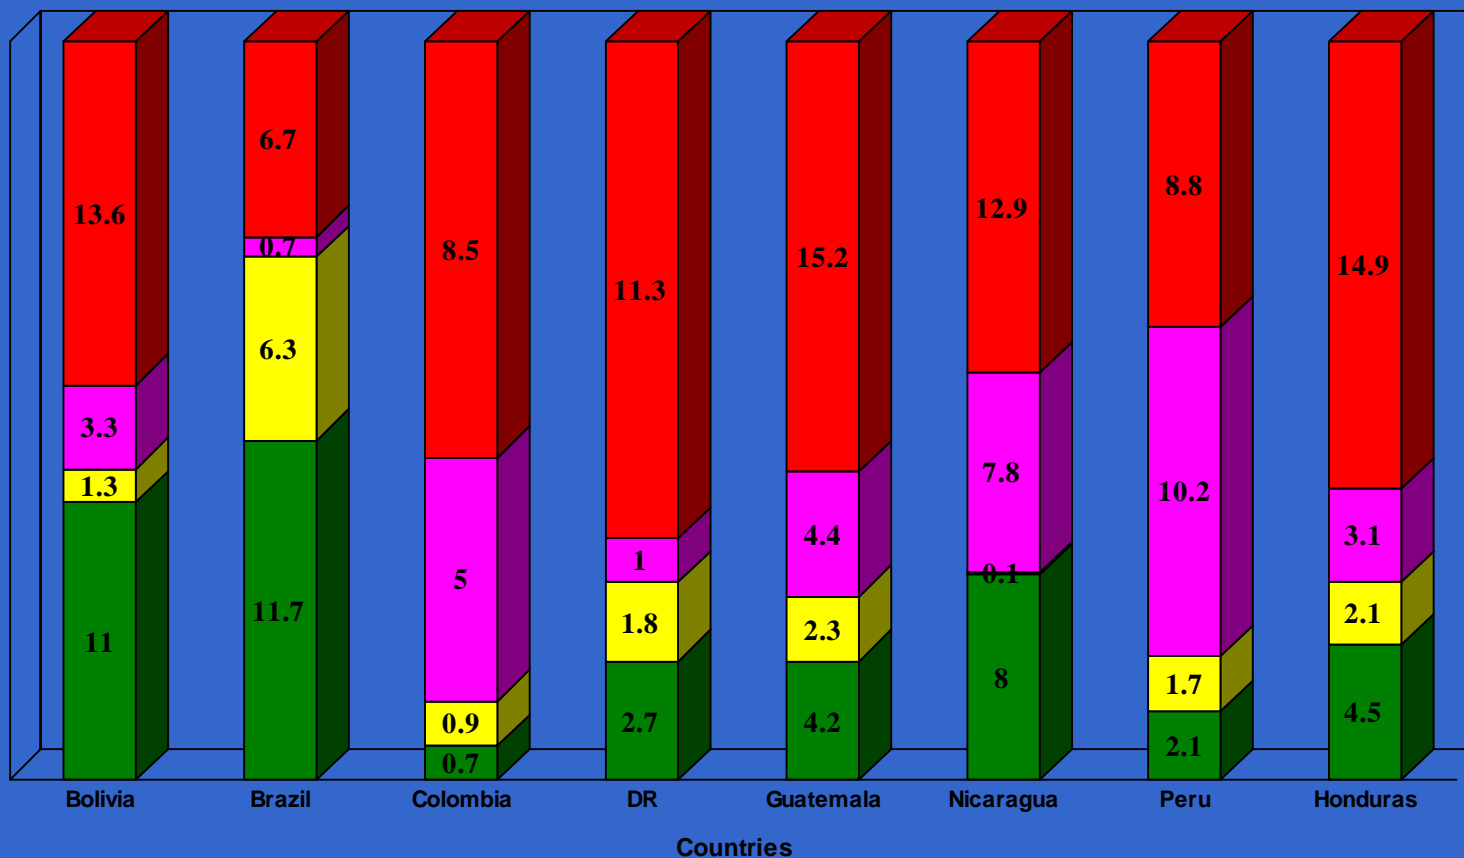

- Sanitation & Water & Living
- Sanitation & Water & Housing
- Sanitation & Living & Housing
- Water & Living & Housing
- All four deprivations

**Graph 2.1.2a Distribution of slum dwellers by degree of shelter deprivation
Countries with moderate/low concentration of slum with single shelter deprivation, Asia**

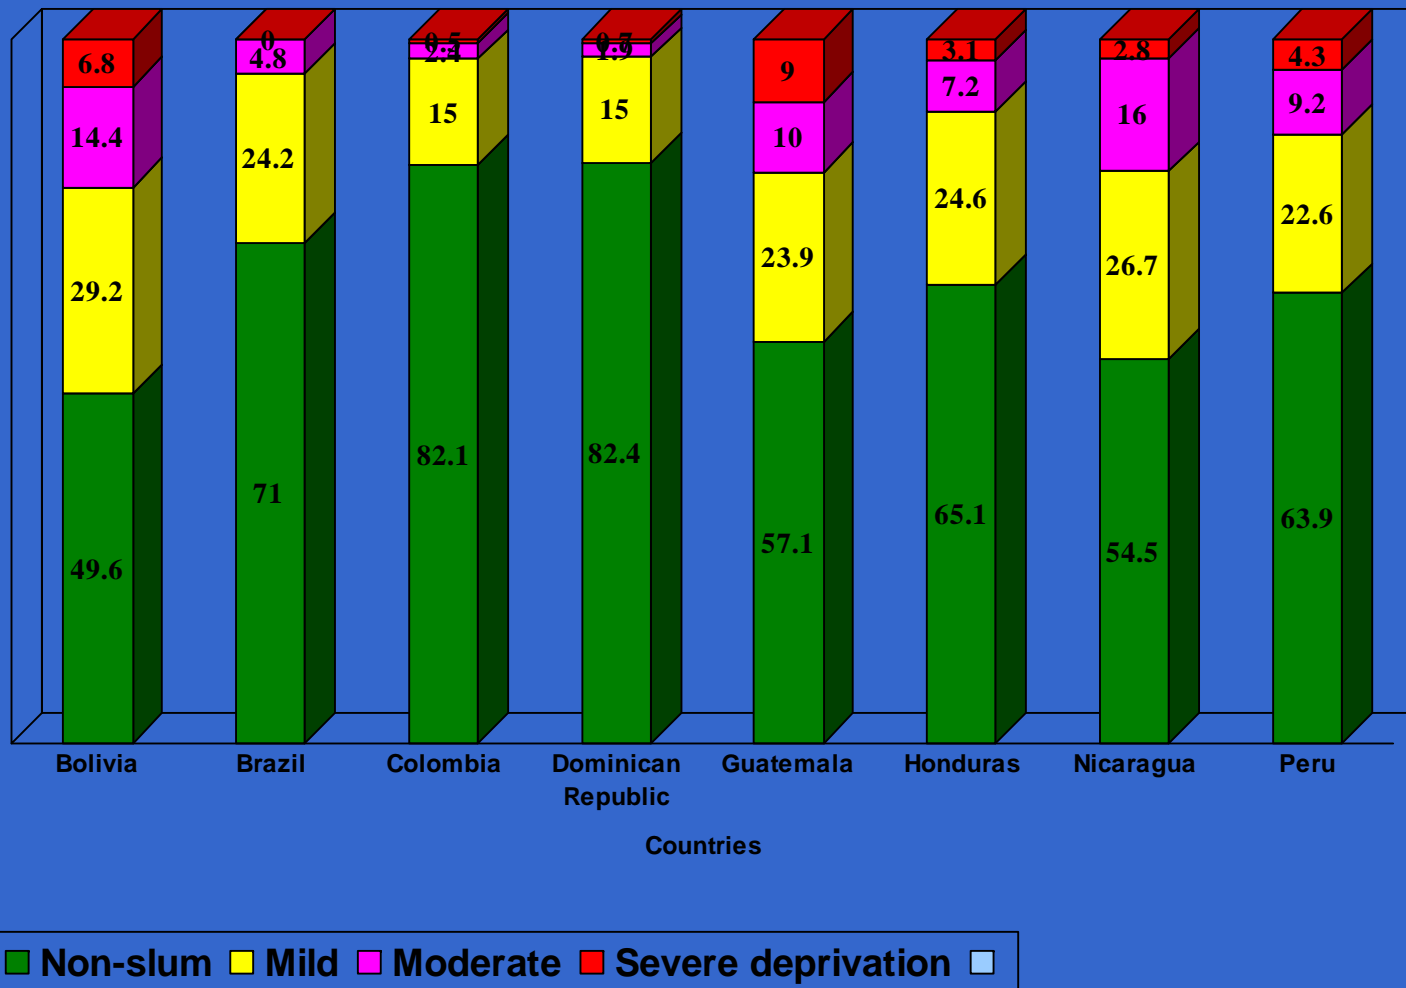

Graph 2.1.2b Distribution of slum dwellers with single deprivation by type of deprivation, Latin America

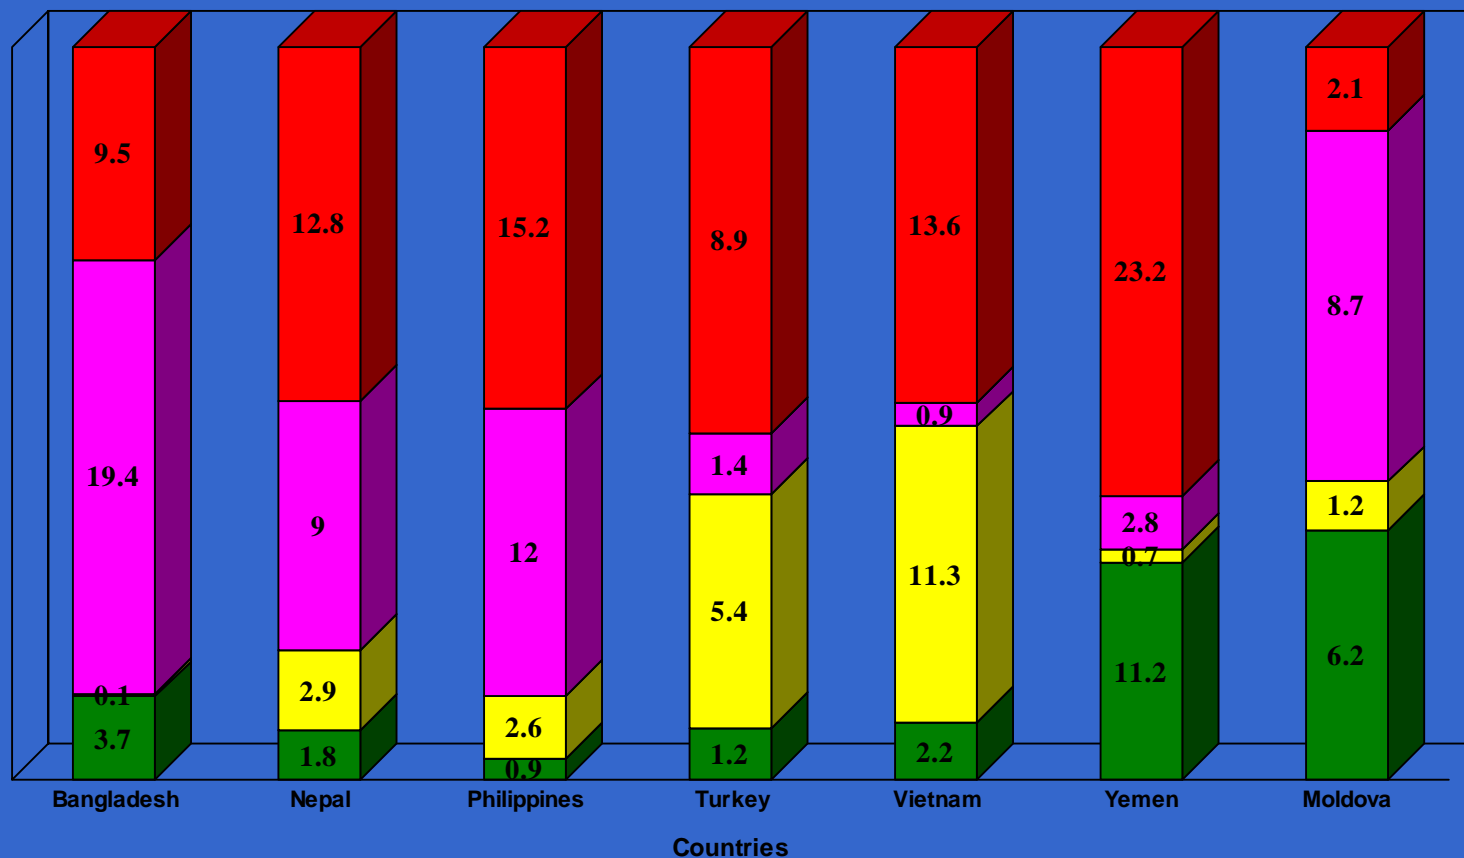

■ Improved water
 ■ Improved sanitation
 ■ Durable housing
 ■ Sufficient living
 ■

**Graph 2.1.3a Distribution of slum dwellers by degree of shelter deprivation
Countries with moderate/low concentration of slum with single shelter deprivation, Latin America**

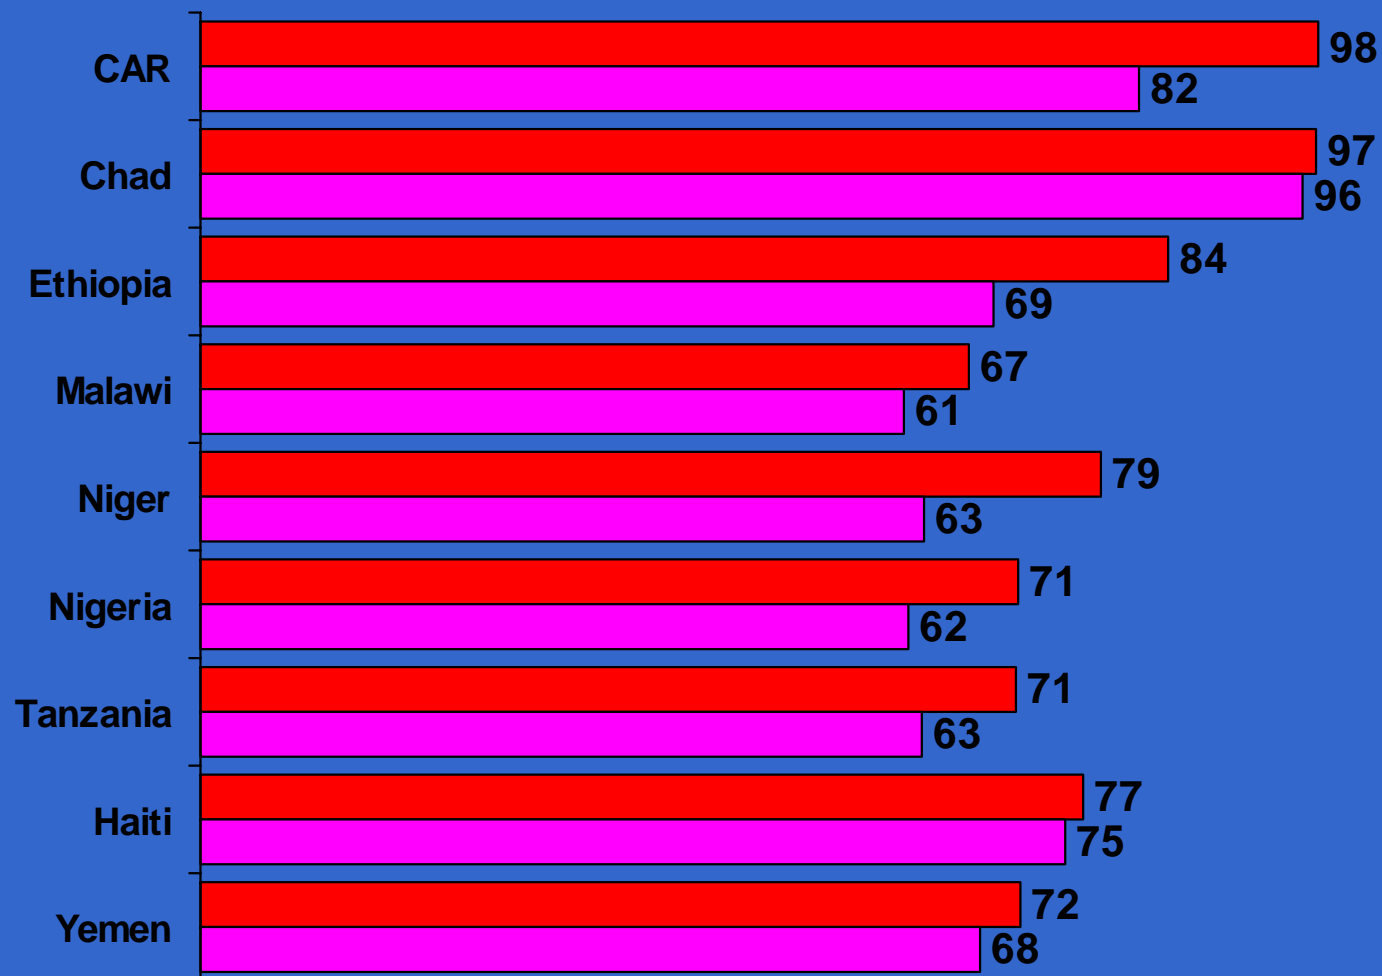

Graph 2.1.3b Distribution of slum dwellers with single deprivation by type of deprivation, Asia

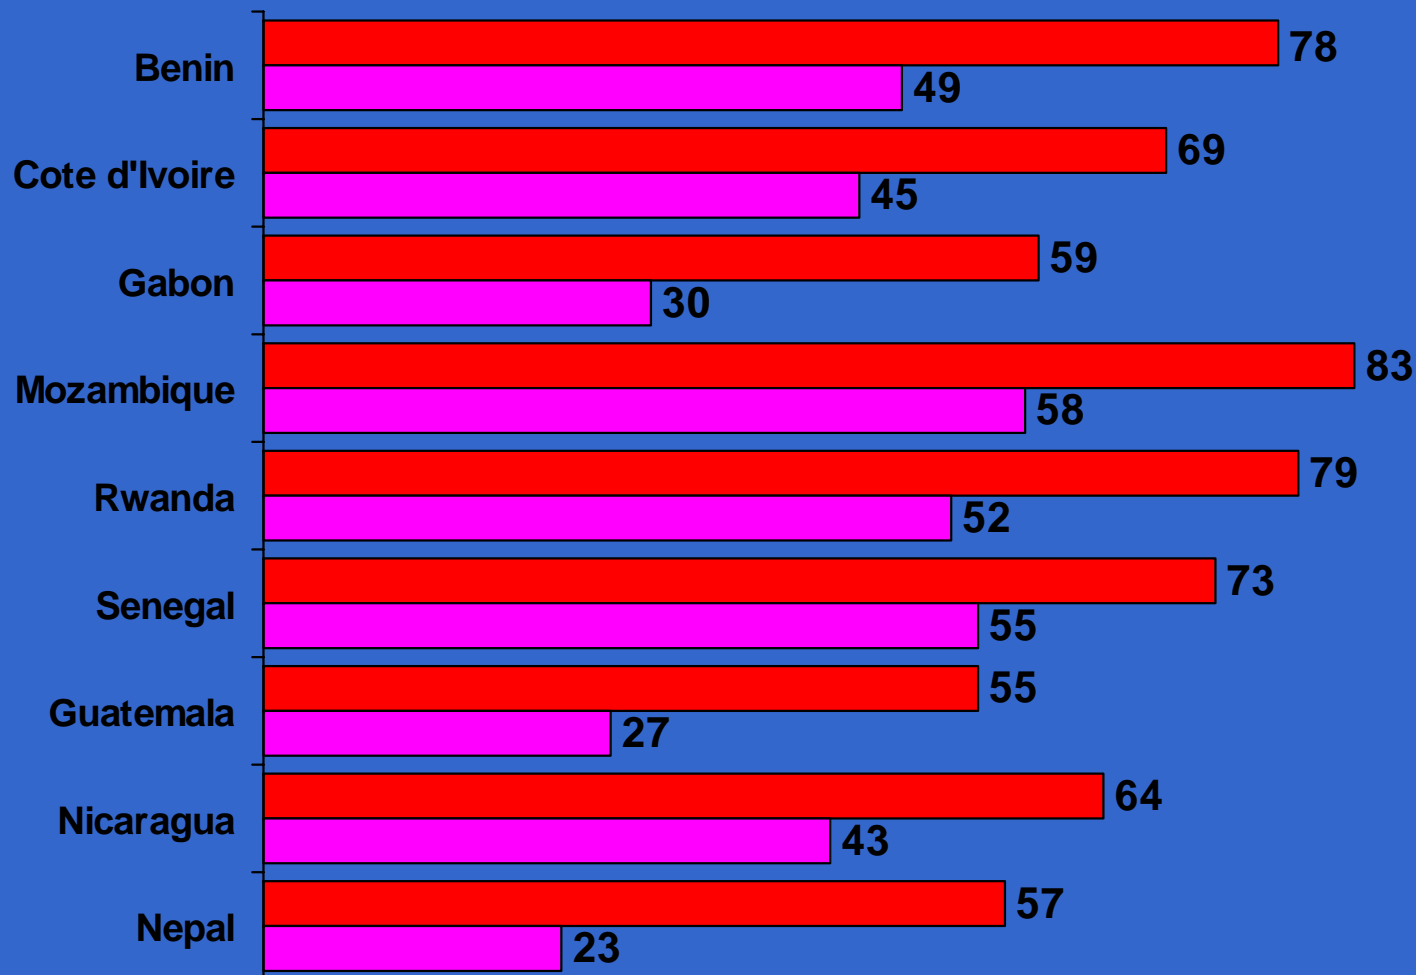

■ Improved water
 ■ Improved sanitation
 ■ Durable housing
 ■ Sufficient living
 ■

**Graph 2.1.4a Pourcentage of slum households by size of city
Countries with high concentration of slums in small cities/towns and in
capital/large cities**

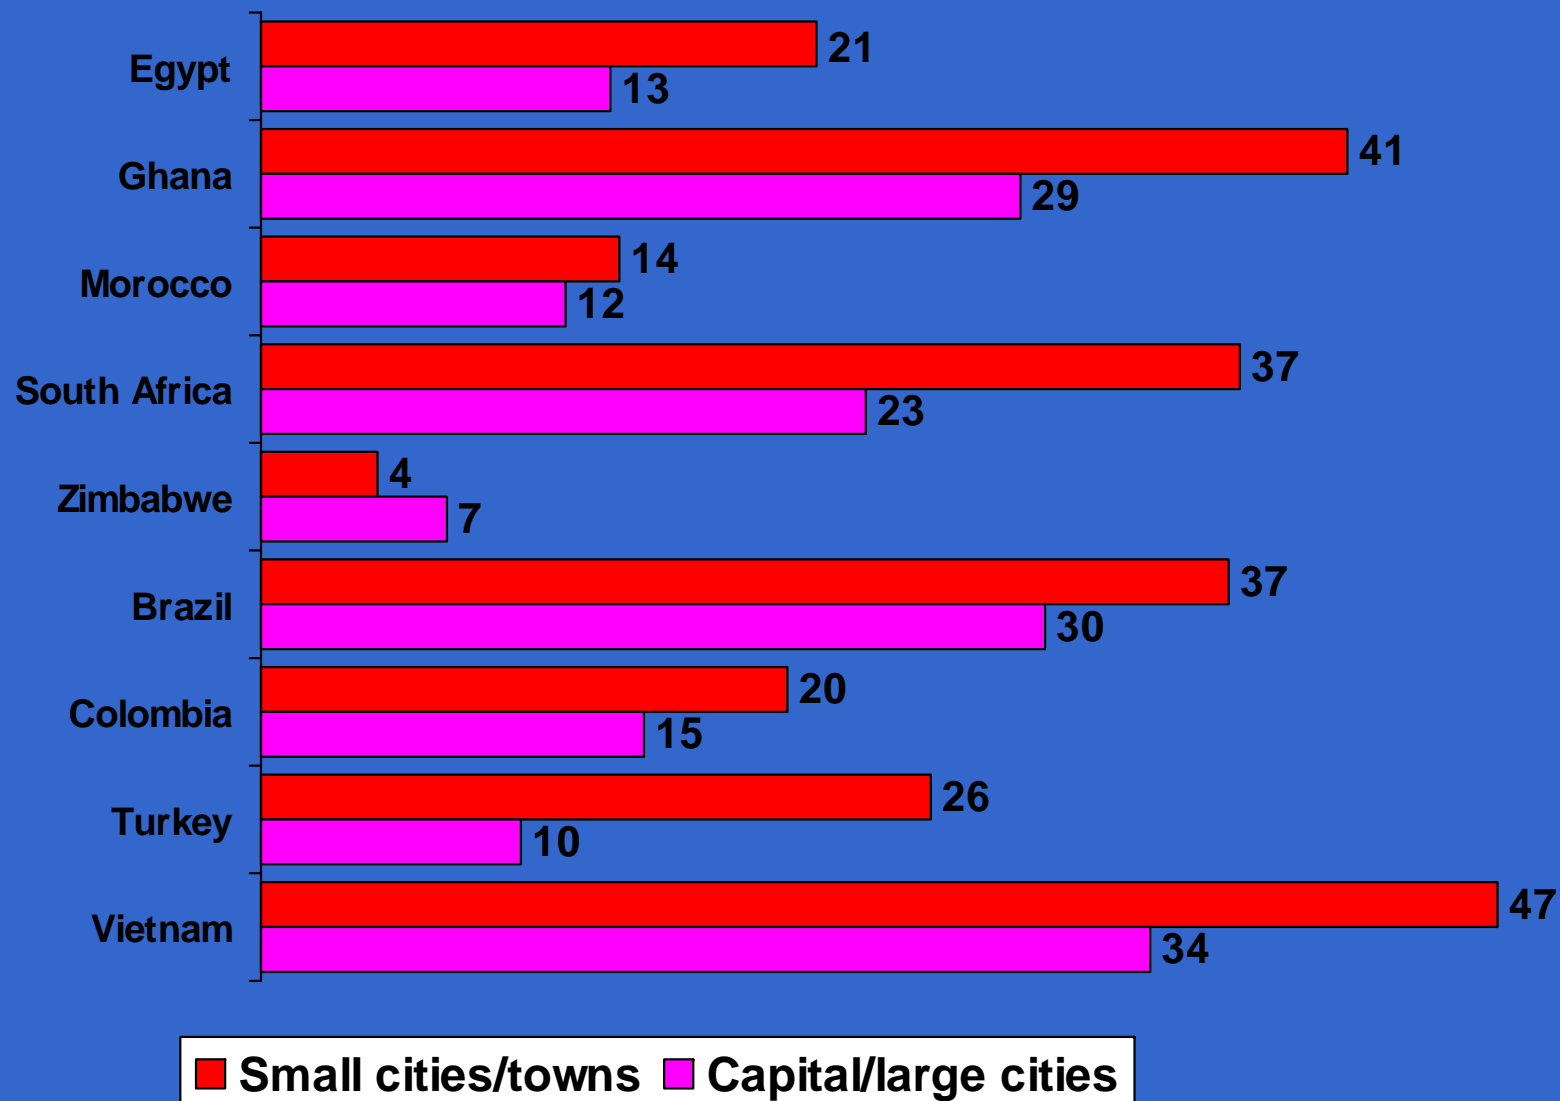

■ Small cities/towns ■ Capital/large cities

Graph 2.1.4b Pourcentage of slum households by size of city
Countries with high concentration of slums in small cities/towns and low or moderate concentration of slums in capital/large cities

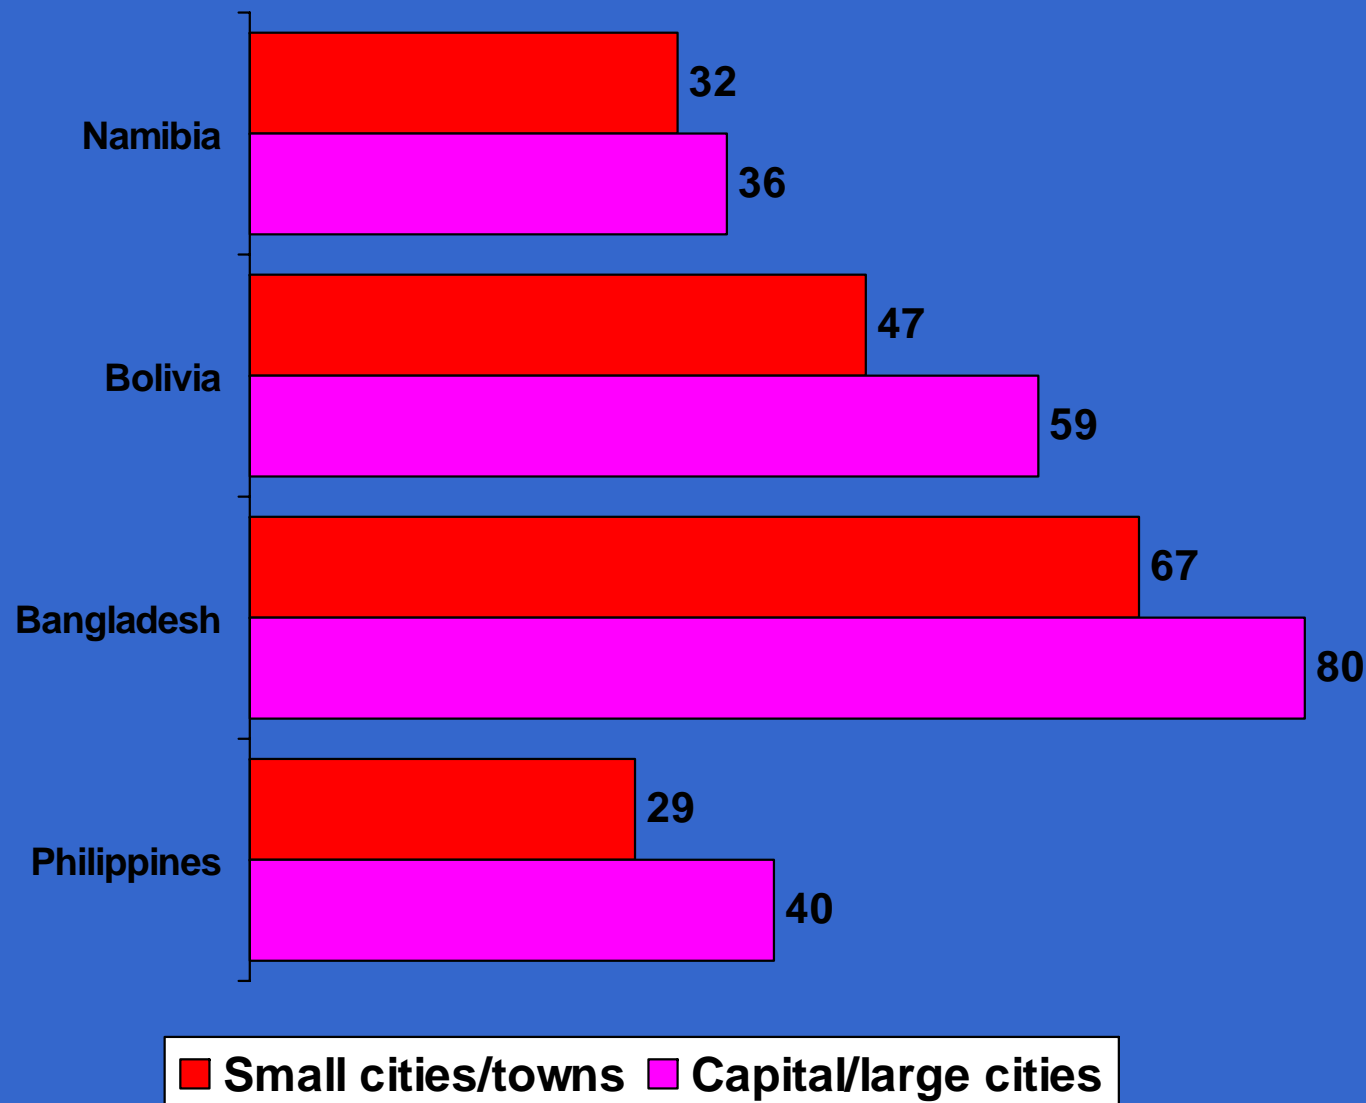

■ Small cities/towns ■ Capital/large cities

Graph 2.1.4c Pourcentage of slum households by size of city
Countries with low or moderate concentration of slums in capital/large cities as well as in small cities and towns

**Graph 2.1.4d Percentage of slum households by size of city
Countries with slum concentration higher in capital/large cities than in
small cities and towns**

Graph 2.1.4e Percentage of non-slum or slum households living in slum area

Graph 2.1.4f Percentage of non-slum or slum households living in slum area
